

The Gods Have Spoken; The Best Indie Music on the Net

The Gods Have Spoken is a compilation of some of the best independent artists on the net. GodsofMusic.com is the largest independent music review site on the net. With over 3000 songs archived, it continues to average over 200 reviews a month. The staff isn't made up of music journalists, but music enthusiasts. You won't be disappointed, there is something here for everyone. A portion of the proceeds from this book will be donated to The Casey Cares Foundation .
