

The Order of Ethyrea: Tribe of the Lost

The epic journey continues... For generations now, the mystery of the Ayr Brethren and the realm of Ethyrea have been kept a secret from both the people of Aturen and the Brethren. Aturen is the source of LifeBreath and the key to the CrossRoads of the Realms. When RavenClaw and his Renegade Knights kidnap Lady Shae, they unwittingly set into motion Pameras master plan and unlock the Harpentia HorrorRealm. The Brethren race against time to stop the cosmic alignment that will destroy the realm of Aturen and the Lost Tribe forever. Will the prophecy fulfill itself and destroy the source of LifeBreath and all that wield it? Or are the Brethren on a collision course with destiny that will return the Lost Tribe to the fold and explain the origins of the Ethyrean Brethren?
