

## On the Development of the Understanding (Classic Reprint)

Excerpt from On the Development of the Understanding The word spontaneous has been inadvertently used in the following, pages in a sense that may perhaps mislead those who are not familiar with the writings of Cousin and his school, to signify instinctive or involuntary action; action, as it were, spontaneous in the immediate organ, and not proceeding from the deliberate will of the agent. The reader is also requested, at page 53, line 2, to substitute the word apprehension for manifestation. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
