

## Art Theory: An Historical Introduction

Indispensable reading for both art lovers and students, *Art Theory*, 2nd Edition explores Western thought about art from ancient times to the post-modern period. Wide-ranging and exceptionally balanced in its analysis, *Art History* relates theory to the practice as well as to the intellectual and cultural-historical currents of each period. This new edition expands the original to include more in-depth coverage of contemporary art. Newly updated bibliography and suggestions for further reading. Six chapters covering the major periods of Western art history: Antiquity and the Middle Ages, the early modern period (Renaissance and Baroque), the Enlightenment, the nineteenth century, early twentieth-century modernism, and postmodernism. Geared to the needs of the general reader and beginning students
