

Alfred Basic Piano Library Course Pack Level 1 Complete - Four book set - Includes - Lesson, Theory, Technic and Notespeller Books

Complete Level 1 (AP.2229) is a faster-paced version of Levels 1A and 1B that gets to staff reading more quickly. Perfect for a student who is 8 or older, or for a younger beginner with great musical aptitude. This course is most effective when used under the direction of a piano teacher or experienced musician. The Theory Books (AP.2235) are designed to coordinate page-by-page with the Lesson Books. Contains enjoyable games and quizzes that reinforce the principles presented in the Lesson Books. Students can increase their musical understanding while they are away from the keyboard. The Technic Books (AP.2459) provide reading and rhythm drills and exercises perfectly paced with each Lesson Book in Alfreds Basic Piano Library to improve musicianship and develop coordination of the hands. Students needing to review and improve their note-naming and interval-naming skills will benefit greatly from the well-prepared Notespeller Books (AP.6160). Each book provides a variety of written activities that reinforce note reading concepts presented in the Lesson Books. Correlates page-by-page with the Lesson Books, but may also serve as an effective supplement to other piano methods.
