

## Alices Sacrifice (Alice Clark Series)

After the fight of a lifetime, Alice and Cole return home to live a life they were never meant to live. Fallen Angel fathers choose to stay, protect and get to know their nephilim children. Now that everyone knows where to find Alice, the real question is who is that information pertinent to? One single traumatic event sets Alices true destiny into motion. How each of those she cares for reacts to this event; has enormous consequences for her. What will Alice have to sacrifice and for whom?
