

The Psychologist Magazine December 2013 (The Psychologist 2013)

The Psychologist is the monthly publication of The British Psychological Society. We aim to provide a forum for discussion and debate amongst members of the Society and beyond, and to promote the advancement and diffusion of a knowledge of psychology pure and applied. The Psychologist is supported by www.thepsychologist.org.uk, where you can view this months issue, search the archive, listen, debate, contribute, subscribe, advertise, and more. The British Psychological Society is the representative body for psychology and psychologists in the UK. We are responsible for the development, promotion and application of psychology for the public good. For more information, see www.bps.org.uk
