

The Winter of Fate, Volume I (Volume 1)

Hallmar, a Haldorian warrior from the north, flees his homeland with his friends, being the only remnants of their ruined village. Adrastus, a Zanetrin pacifist, goes after Leodius, the emperor of Ralezin. Balegothrian, the Commander General of the Black Dragon Knights, plans to rule the world. Hallmar wants to find a new life, along with his two surviving friends, and retrieve a sacred stone of their people. Adrastus wants to avenge his wife's death and stop an evil man. Balegothrian leads the assault against Ansou, an important city of Ralezin on the border with Nelator.
