

## Angel Falls (Cassandra Bick Chronicles Book 3)

It isn't easy to surprise Cassandra Bick. When you run a human-vampire dating agency, your colleague is a witch who is engaged to a shifter and your business partner is one of London's most powerful (and sexiest) vampires, there's no such thing as a normal day at the office. But when a mysterious Dark Dates client brings a dire warning of a new threat to the city's supernatural community, Cass and her friends realise they are up against their deadliest foe yet – and that this time, the danger is far closer to home than they could ever have imagined. Sexy, snarky and with more bite than a crypt full of vampires, Angel Falls is the latest in the Dark Dates: Cassandra Bick series.
