

Wildfire (Future of Flames) (Volume 3)

Shadowed flames dance on a winters breeze, drawing Kateraina into the world of the Dreamers. Her fate rests in the hands of the one who Guards her. Dinan NightWalker must show her the strength of the darkness she holds. Wrapped in his arms, she must stand firm against the nightmares she endures. Shadowed secrets lie buried in a long forgotten shrine. Sweet winds whisper twisted truths, turning friend into foe. Searching for answers will test the bounds of their loyalty. Will betrayal tear them apart, or will a fate cloaked in prophecy guide them through their Future of Flames?
