

Van Halen: A Different Kind of Truth: Authentic Guitar TAB Sheet Music Songbook Collection (Guitar) (Authentic Guitar-Tab Editions)

The album that Van Halen fans have waited almost 30 years for is here and the boys did not disappoint. This is a full-on return to the unabashed rock god glory of Eddie's supernatural guitar and David Lee Roth's impeccable front man persona. Rob Sheffield of Rolling Stone magazine says, "As for Diamond Dave, the gods only made one of him, because they couldn't take the competition." This book includes complete note-for-note guitar TAB transcriptions of every song on the album. Titles: * Tattoo * She's the Woman * You and Your Blues * China Town * Blood and Fire * Bullethead * As Is * Honeybabysweetiedoll * The Trouble with Never * Outta Space * Stay Frosty * Big River * Beats Workin
