

You Can (NOT) Go Home

Sandra Jones wished for a better life. What she got was taken to Alfheimr. Somehow she escaped. She thought her troubles were behind her, but shed merely swapped old troubles for new ones. In a world radically different from the one she was taken from, she finds herself caught up in the politics and conspiracies of her fellow Returned, and used by them for their own ends. Sure its good to be back, but what has she got herself into? Who can she turn to when she doesnt want to get her friends killed? And can she keep hold of who she is in a world that only gets more confusing and dangerous? This book compiles the first three Verses of the Ballad of Sandra Jones into one volume A Penny For Your Thoughts My Dear I Was Just Sitting Here Thinking For All Ive Seen Has Changed My Mind
