

First Division Band Method, Part 4 for E-Flat Alto Clarinet: For the Development of an Outstanding Band Program (First Division Band Course)

This is an updated edition with a new four-color cover and updated text in various places in the book that mention correlated material. The music and songs are the same. The time-honored First Division Band Method retains the same pedagogically-sound sequence of learning that has taught over 12,000,000 students the fundamentals of learning to play a band instrument.
