

## The Rebel Prince (The Moorehawke Trilogy)

Wynter Moorehawke has braved bandits and Loup-Garous to find her way to Alberon ? the exiled, rebel prince. But now that shes there, she will learn firsthand that politics is a deadly mistress. With the king and his heir on the edge of war and alliances made with deadly enemies, the Kingdom is torn not just by civil war but strife between the various factions as well. Wynter knows that no one has the answer to the problems that plague the Kingdom and she knows that their differences will not just tear apart her friends but the Kingdom as well.
