

## First Lessons Flatpicking Guitar

This new book is perfect for beginners, players with a little experience and guitarists who want a good grounding in the flatpicking style. Using popular American fiddle tunes, Joe introduces the important basics of good flatpicking including pick direction, fingering, and hand position. The accompanying audio and video provide a clear performance of each exercise and tune. An introduction to playing up the neck in closed positions is included as well as several of Joe's own advanced arrangements of jam session favorites. Includes: Wildwood Flower, Soldiers Joy, Red Haired Boy, Whiskey Before Breakfast, Old Joe Clark, Salt Creek and more. Audio and video downloads available online.
