

Bath and Its Neighbors (Images of America)

At the heart of seven converging roads, Bath is the hub of Northampton County. Consisting of a tannery, a gristmill, two stores, and five dwellings in 1816, Bath evolved into a bustling town with over 175 shops, tradesmen, and professionals. Featured among the more than 200 historic photographs are a rare 1700s map of the Scotch-Irish settlement, Moses George Cigar Factory workers, the shops on the West Main Street Bridge, devastation from the 1945 flood, workers picking celery in the fields, and Miss Bath 1962. Meander through Bath and Its Neighbors and feel the tenacity of its people, the exuberance of their celebrations, and the simplicity of a time not so long ago.
