

## Crackd Pot Trail: A Malazan Tale of Bauchelain and Korbal Broach

It is an undeniable truth: give evil a name and everyone's happy. Give it two names and why, they're even happier. Intrepid necromancers Bauchelain and Korbal Broach, scourges of civilization, raisers of the dead, reapers of the souls of the living, devourers of hope, betrayers of faith, slayers of the innocent, and modest personifications of evil, have a lot to answer for and answer they will. Known as the Nehemoth, they are pursued by countless self-professed defenders of decency, sanity, and civilization. After all, since when does evil thrive unchallenged? Well, often but not this time. Hot on their heels are the Nehemothanai, avowed hunters of Bauchelain and Korbal Broach. In the company of a gaggle of artists and pilgrims, stalwart Mortal Sword Tulgord Vise, pious Well Knight Arpo Relent, stern Huntsman Steck Marynd, and three of the redoubtable Chanter brothers (and their lone sister) find themselves faced with the cruelest of choices. The legendary Crackd Pot Trail, a stretch of harsh wasteland between the Gates of Nowhere and the Shrine of the Indifferent God, has become a tortured path of deprivation. Will honor, moral probity, and virtue prove champions in the face of brutal necessity? No, of course not. Don't be silly.
