

The Journals Sixth Grade

One moment your happy. You have the love of your life by your side day and night. Then one morning you wake to find him gone. He didnt leave me he was taken. Divorced form me in the dead of the night. Now I must work with the man who crashed our lives into flames to get him back. We agree to deal. As part of this deal I have to turn in my Aunt Brooke. Though it means possibly her execution, she earned it. My heart tears at this deal but hey, you only love twice. I have already been widowed before, I dont want to be a widow again. Look out Aunt Brooke, here I come.
