

Servitude (Whispers of Mana Series, Book 1) (Volume 1)

What have I done? Has my whole life been leading up to this? He comes every day to my cell. Watching. Smiling. He doesn't care about what happened to get me here. The lies. The deceit. I've manipulated and I've plotted, and he isn't even bothered. When I came to this place, I was stupid. My life was being led by impulse and bad decisions. I don't understand how anyone could smile at me after what I've done . . . My magica cannot save me in here. I am a ghost. A puppet. Every breath that I take only extends my accursed existence. Was this really the price of my freedom? Do I even know what freedom truly is? Saria Waelvor knew that she would never be a hero, but an act of heroism is not what she'll need to save the ones she loves the most.
