The Peace Lover shall guard Zanquei until its rightful owner reclaims it... That was Lord Chris Markums pledge one thousand years ago. Cedric Markum knew the legend well of Zanquei, the powerful magic helmet that only its true master could wear. But how could he, the descendant of Lord Chris Markum, find Zanqueis rightful owner? Should we gather all the mighty warriors of the kingdom and have them try on the helmet? Cedric asked his grandfather. Grandson, this is not Cinderellas glass slipper were talking about... Before moving away from the Kingdom of Anguo, eight-year-old Michi Dallion is led to a secret armor room. By chance, she tries on a magnificent helmet stashed within a hidden chamber. And suddenly her life, along with her ordinary moving trip, is transformed. Knights, demons, and immortals alike are now mysteriously drawn to cross paths with this little girl... meetings that will forever change their fate, and the fate of their world.
