

## Dirty Old Vampires

Pierce, Washington Nothing but a dot on the map. Way South of Seattle. It didnt look close to anything except Mt. Rainier. What sort of place was Pierce? Maybe a school with a few farm kids. Probably didnt have a movie theater. No real stores. Not the sort of place Natalie King wanted to visit but thanks to her mother now she had to actually move to Pierce. Which sucked. Can you say rain? And secrets. Secrets in the town, in her own past. Classmates with secrets. Natalie wants a normal life. Not likely. Not in a town home to vampires and other monsters. A normal life? Not in Pierce, Washington.
