

## Internal Struggles (Killing Perfection) (Volume 3)

Charolette has struggled to remember her past for the last five years and the one person that has the ability to tap into her lost memory is her biggest enemy, but Victoria is the least of her problems. Now that John isn't going anywhere any time soon Charolette is faced with the ultimate choice between the one she's familiar with or the love of her life, but her struggle to choose between William or John will ultimately strengthen her for the bigger battle.
