

Gareth Ogilvie The Highland War Chieftain (Volume 1)

When word reaches the Highlands that The Great Sea King once more threatens all nations and communications is suddenly cut off from the Lowlands. The Great Highland Council sends a hundred and twenty hand picked Highland warriors under the command of Gareth Ogilvie to discover what is happening. Behind them the Highland Nation prepares for war, while Gareth leads this band of men, most of them life long enemys in to the adventure of a life time. They will fight in battles of epic proportions, facing prehistoric monsters with little more than long spears. Myth and magic grip the Lowlands as the Great Sea King, the most powerful wizard in the world attempts to seize the last kingdom not under his power by subversion. Love potions, magic mists and invisibility cloaks, are only a part of what this mage will get up to, to win for himself the great lands of Clover. How will Gareth Ogilvie and his Warrior band stop this Evil, step inside and see. With beautiful Princesses, Giant War Eagles and their riders, there is plenty here to feast the imagination. Their journey will take them from the mountains of their homeland with peaks that rival the Himalayas, to burning deserts in a sea of bones. Join the greatest warriors of they times as they fight the biggest battles of their lives and fall in love.
