

Darkest Siege: Book One of the Blade Chronicles

One sees the past... One Manipulates the present... Both will change the future. Emesos is living a normal life in the Kingdom of Stryne...until he relives the memories of long dead heroes from his homeland. Desperate for answers and fearing for his sanity, Emesos hunts through the past and present until he has a horrifying revelation: Invasion is coming to the Kingdom of Daclynand. Ishik is content to serve in a monastery in the Kingdom of Rhyth... until he discovers his magical powers. Branded a heretic and excommunicated, he must find his own path in life, even if it lies with the Kingdoms worst enemies. Amid the desperate search for answers and violence, the two will meet. And the Kingdoms will never be the same.
