

The Cats of Angel City: Lilith - Leopard Woman (The Cat people of Angel City) (Volume 1)

Volume one of The Cats of Angel City is the first in a series of stories that complete in themselves are part of an epic tale with many of the elements of a Fantasy Tale yet has within it touch of science fiction. Set in the distant future the story is told of the unique Cat People and the Mutant Cats and how they battle for their existence. The main characters are two young women and Cat with mind reading abilities who face a conflict that threatens to destroy them and their people. Their world is our future and they have to solve the problems and overcome adversity to save their people. The Cat People of the Valley are dying from the Sickness that has created a mutants that are part human and part Cat. In the Community of the Crones one young woman, Lilith, a mind reader and her companion the Cat set off on an epic journey. Her quest is to find the crystal keys that will unlock the door in the mysterious Dome set in the ancient temple. The source of the crystals is hidden in the collective memory of the Village Priests which is passed on to her when Simon High Priest dies. Her journey takes her to Angel City where he coming sparks a revolution in which Lilith and Cat play a large part making friends and enemies alike. When the revolutionaries turn against her it is up to her younger cousin, Cynthia, known as the Moon Child, to come to her rescue. Cynthia returns to find all is not well at home and discovers more about her peoples past than she expected.
