

## The Masked Queen

Aurora, the banished Goddess, courts the forces of evil to save her precious city. Meara, Agent of Light, scouts the enemy with a protector who can barely be trusted. Kaia, the outcast warrior, must embrace her heritage to ensure her nations survival. Ensnaring them all is the threat of the Shadow Queen, an invincible foe birthed by arrogance. Sequel to The Shattered Tower, The Masked Queen continues The Godfall Saga, a story of courage, faith, and the power of humility.
