

Cohen: Postcards to Egbert (Mini-pieces for beginner Violinists)

Egberts Uncle Fred is off on a trip round the world. After a while postcards start arriving from far-off lands, each with a special musical friend for Egbert and his violin, and a mysterious coded message... Postcards to Egbert introduces absolute beginner violinists to the rudiments of good technique, particularly the development of a strong sense of rhythm. All these mini-pieces use open strings only: simple but imaginative piano accompaniments contribute to the young pupils confidence and sense of achievement. Mary Cohens lively and stimulating approach will capture and hold the attention of even the most reluctant beginner! Printed Music VIOLIN & PIANO BEST SELLER!
