

The Elvenbane (Halfblood Chronicles)

Two masters of epic fantasy have combined in this brilliant collaboration to create a rousing tale of the sort that becomes an instant favorite. This is the story of Shana, a halfbreed born of the forbidden union of an Elvenlord father and a human mother. Her exiled mother dead, she was rescued and raised by dragons, a proud, ancient race who existed unbeknownst to elven or humankind. From birth, Shana was the embodiment of the Prophecy that the all-powerful Elvenlords feared. Her destiny is the enthralling adventure of a lifetime.
