

## Even Me

What You Lose when You Respond to Ignorance You lose control. You lose your good life and place it on hold. You lose your focus. You lose your peace of mind. You lose your temper. You lose your smile. You lose your self respect. You lose respect for others. You lose your confidence. You lose your potential. You lose the ability to solve simple concepts. You lose the ability to see a need for change. You lose family and friends & stress those you love. You lose too much time wasting it on ignorance. Living Is About Forgiving BE A WINNER!
