

The Suicide King Volume 1 (The Fallocaust Series Book 3)

After months of being separated, Reaver and Killian are finally together; but their happiness is short lived. Unbeknownst to Killian, Reaver is struggling with his own inner demons, demons that threaten to not only rip Reaver apart, but their entire relationship as well. Unfortunately though, its not only demons they have to worry about. Reaver and Killian are going to quickly realize that the plaguelands hold to them a threat that the greywastes and Skyfall have never seen; a dangerous creature that has discovered just how valuable immortals are. And back in Skyfall, the Dekker family is about to be tested in ways theyve never been before. Chimeras who were once seen as unstoppable will be stopped, those deemed shatterproof will be shattered, and the higher these men are, the longer and harder theyll fall. Who will rise from the ashes, and who will burn in the flames still remains to be seen, but one things for sure itll be quite the ride.
