

## Dining With A Vampire (Midnight Desires Book 2)

Book 2 of 3 for Lea in the paranormal romance series Midnight Desires. It's been six months since Daniel said he'd return to Lea after his debriefing with the vampire government, but he's nowhere to be seen. Lea is now stuck with her new roommate, Ryder, who wants nothing to do with her because she's a vampire. Surrounded constantly by humans, Lea must deal with her lust for blood by herself after she discovered her blood dealer has mysteriously gone missing. As Lea tries to take control of her life, she unexpectedly encounters her past. For interest in werewolves, check out Sienna in *The Shifters Touch* by Misty Traven, also from the Midnight Desires series.
