

## Musica Maximalista (Portuguese Edition)

Esta coletanea reúne textos produzidos para dois congressos sobre formacao de professores, um paulista e um nacional, realizados em 2011. Os artigos discutem a necessidade e a importancia do estabelecimento de uma politica organica, de carater nacional, voltada ao aperfeicoamento dos padroes de qualidade e ao apoio direto a formacao de quadros qualificados para o exercicio do magisterio da educacao basica no pais. Os textos procuram iluminar aspectos centrais do tema sob multiplos pontos de vista. Destacam-se as discussoes sobre o papel da formacao proporcionada pela pratica pedagogica, questoes especificas da formacao de professores na modalidade a distancia e a articulacao entre politicas publicas e a formacao do profissional da educacao. O livro ainda traz um texto de Antonio Novoa contendo propostas fundamentais para um salto significativo no campo da formacao dos professores.
