#1 BESTSELLER IN HEAVEN...AVAILABLE FOR THE FIRST TIME ON EARTH. Think Alice Sebold (*The Lovely Bones*) meets John Grisham (*The Firm*) in the afterlife. Brek Cuttler, a young lawyer, new mother, and wife of a popular television news reporter, dies unexpectedly and, arriving in heaven, learns she has been chosen to join the elite lawyers who defend souls at the Final Judgment. Yet Brek longs for her lost life, and the cause of her death remains a mystery. Searching for answers, Brek attempts to re-create the world she once knew and visit her family in their dreams; but it is her first client in heaven, a young convict, who holds the secret—a shocking crime long repressed. Guided by her mentor, Luas, a lawyer who has been prosecuting souls for thousands of years, Brek embarks on a quest traversing heaven and earth to bring her killer to justice, uncovering an interlocking past that places her own soul in jeopardy. Entering the courtroom to face her killer at the Final Judgment, Brek must make a momentous choice that will alter her eternity.
