

The Mutual Reverse See: fables for our times

Fantasy is the counterpart, the balance, the hidden context of the ordinary world. Fantasy is an acknowledgement that There is more in Heaven and Earth than is dreamed of in [our] philosophy. Fantasy is the way I seek answers to pressing questions, such as, What happens to socks when an even number go into the washing machine and an odd number come out? What place is there for Creativity in a world of unbridled Consumerism? How will the spirits of extinct species take their revenge? What will replace Humankind when we reach the end of our road? These stories are brief, suggestive, amusing or frightening, hopefully stimulating and too short to be boring.
