The process of delving into the black abyss is to me the keenest form of fascination. - H. P. Lovecraft This volume assembles Lovecraft's greatest sci-fi tales and reveals the mystical incredible universe he created. Howard Phillips Lovecraft (1890-1937) was an American author who achieved posthumous fame through his influential works of horror fiction. He is now regarded as one of the most significant 20th-century authors in his genre. Some of Lovecraft's work was inspired by his own nightmares. His interest started from his childhood days when his grandfather stirred his interest in the weird by telling him his own original tales of Gothic horror.
