

## MySearchLab with Pearson eText -- Standalone Access Card -- for Psychological Testing: History, Principles and Applications (7th Edition)

ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab & Mastering products. Packages Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase. Used or rental books If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code. Access codes Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. -- Normal 0 false false false EN-US X-NONE X-NONE This access code card gives you access to all of MySearchLabs tools and resources, including a complete eText of your book. You can also buy immediate access to MySearchLab with Pearson eText online with a credit card at [www.mysearchlab.com](http://www.mysearchlab.com). Establishes a solid foundation of knowledge about psychological testing Psychological testing impacts virtually every corner of modern life, from education to vocation to remediation. Psychological Testing: History, Principles, and Applications, 7/e, covers all variations of testing and explores social issues testing raises. This program provides readers extensive knowledge about the characteristics, objectives, and wide-ranging effects of psychological testing. MySearchLab is a part of the Gregory program. Research and writing

tools, including access to academic journals, help students explore Psychological Testing in even greater depth. To provide students with flexibility, students can download the eText to a tablet using the free Pearson eText app.

This title is available in a variety of formats - digital and print. Pearson offers its titles on the devices students love through Pearsons MyLab products, CourseSmart, Amazon, and more. To learn more about pricing options and customization, click the Choices tab.
