

The Keymasters

This is a story is a science fiction adventure story about two teenage brothers, Nicky and Steven who go searching for their missing parents with the help of three friends (girls). Their parents had disappeared mysteriously, and suddenly they find that their search throws them into another world. They find themselves in a strange world where Romans have spaceships and there are monsters and aliens. They youngsters are taken prisoner and turned into slaves but they escape. The two brothers get separated and each thinks the other is dead. In continuing their search for their missing parents, the brothers, with the help of their friends plus some new friends they meet on the way, both end up on another distant planet which is governed by a tyrant. Neither of the brothers knows the other is there and both are taken prisoner once again, Steven by the swamp people and a strange alien girl whose spaceship had crashed on the planet and Nicky by the tyrant who holds their parents prisoner. Nicky is helped by space pirates and the planets desert people who had been turned into slaves by the governing Romans who had invaded their planet. With their help, and with the swamp peoples help who become allies to fight together and rebel against the Romans, the brothers try to rescue their parents and discover a secret that takes them onto yet another planet where the key to the universe and other worlds is kept by the mysterious shadow people known as The Keymasters. Will the brothers be able to find and rescue their parents? Will the planets rebellion succeed in overthrowing the powerful Romans? Will they ever be able to return to their own world? And who are the mysterious Keymasters and what secret do they hold?
