

Hal Leonard Hal Leonard Guitar Method Book 1 with CD

Newly revised! The second edition of this world-famous method by Will Schmid and Greg Koch is preferred by teachers because it makes them more effective while making their job easier. Students enjoy its easy-to-follow format that gives them a solid music education while letting them play songs right away. Book 1 provides beginning instruction including tuning, 1st position melody playing, C, G, G7, D7, and Em chords, rhythms through eighth notes, solos and ensembles and strumming. Features a chord chart, and traditional songs like: Amazing Grace Greensleeves and When the Saints Go Marching In.
