

Between a Laugh and a Scream

Earth has been at war with the Minion Empire for as long as anyone can remember. Following the invasion of the Trenton Harbor Mining Colony, Ensign Paul Hollister is assigned to the Promenade, a vessel exploring the edge of human and Minion space. When they encounter an old relic of the shuttle Discovery and its crew slaughtered the crew begins to suspect something much more sinister than a war is taking place. It is then that they begin to realize the Minions aren't the only thing they should be fearing. Unfortunately, once they figure it out, it may be too late....
