

Have We Lost Our Spiritual Connection?: A Way To Hear Your Inner Voice

Have We Last Our Spiritual Connection? Offer a life altering perspective on how to reconnect with our spirit, and to learn to love our Self. It looks at some of the Psychology of our behaviors and patterns we use every day. This book has us to explore what it means to become mindful, through the process of meditation. Using these methods can become quite beneficial in learning how to listen to our inner voice. Whether it be in a personal relationship, career, or just looking for good health, the information in this book helps us to love ourselves, because this is where the healing starts and the connection is made. It leads us to discover that there are two major thought-systems. One being that of Love and Peace, and the other that of Fear and Confusion. The key for us is to evaluate which of these system are we using on any given day.
