

Mariard Volume 6 The Round Table

War is fought, not only on the field and with ones self, but also within the mind. Nothing is what it seems, take nothing for granted. The gifted are fighting for you. Do you have the right to become an entity? Take the challenge and go with them, through their trials and tribulations, whilst tapping into the unfolding, universal truth. Nothing is what it seems, take nothing for granted. Christine Jones has created a masterpiece, a journey beyond imagination. The mind is a locked door; she opens it to a greater knowledge and awareness. Are the Mariard Volumes fantasy or reality? Nothing is what it seems, take nothing for granted.
