

Mel Bays Blues Piano Photo Chords

As opposed to Complete Piano Photo Chords, this edition encompasses only the most commonly used chords that you will find in BLUES music. All photos are shown in the left hand, except where two hands are necessary. A vivid graphic illustrates the location of the notes and a list of note names and the most commonly used chord symbol is also supplied. Chords are listed by the circle of fifths. A listing of alternate chord names/symbols is also provided. A wonderful, genre specific guide perfect for any level and a must-have for any pianists/keyboardists library!
