

Impossible Magic (The Destiny of Dragons Book 2)

The Axinstone has been reclaimed, but at what cost? Anzig is wounded after fending off the monstrous Nightwings, but he still expects a joyous return to draconic lands. He does not anticipate the secrets that await him, ready to shatter his life apart. Meanwhile, Ellian struggles to adapt to life outside Laxtal. She yearns to return, unsure if Ddraig Tsona is to be trusted with her clan. Does she confront him and risk humiliation, or sit back and wait for Anzig to return?
