

Inescapable

Genre: Science Fiction & Space Opera, LGBT
When a theft goes wrong and Jared finds himself under arrest, his daring escape results in an extra passenger. Richard Kuiper the Seventh does not appreciate being magnetically handcuffed to a common criminal, even if he does enjoy the chance to indulge his sexual appetites guilt free. Hiding out with some old friends of Jared's while they attempt to unlock the handcuffs, a bond grows between the two men that's more than magnetic, but Jared's initial mistrust comes back to haunt him. When the cuffs are removed, Richard storms off, straight into a trap, and now Jared must decide what he's willing to risk for a man he barely knows for a week: his life, certainly, but his heart? He's never risked that before.
