

Secrets of the Queen: Eleulinds Crown, Book Two

This short story continues the epic tale of the Kingdom of Eleulind. The young Queen Lioslaith rides at night to a secreted meeting in the woods. Forces are gathering against the crown, but before she tells the king, she must have proof that a traitor dwells at Castle Fen. Meanwhile, Angus Wallbies grandmother is convinced his adventure into Thicketbriar Forest was not accidental. What he learned there will set him on a journey into a greater unknown.
