

For Unto Us a Child Is Born

Every Christmas, millions gather in cathedrals and concert halls for a spectacular tradition: the sing-along Messiah. It's a celebration of one of music's finest miracles, where a composer drafted the world's perennially favorite oratorio in just 24 days. Choruses and solos range from stirring to dizzyingly complex and together the songs express the full significance of what Christ came to this scarred world to achieve on our behalf. Author David B. Smith explores the musical nuances and spiritual blessings of 21 favorite numbers. Originally presented as global radio broadcasts during four successive Christmas seasons, *For Unto Us a Child Is Born* sparkles with Christmas cheer, wit, and abiding reverence. David is the author of the Bucky Stone Christian sports series, *Finding Waldo*, the upcoming Rachel Marie Thailand trilogy of love stories, and *The Forgiveness Time Portal*.
