

Jakes Last Mission

The entire future of Sweytian/Mugdaran relations rests on one mans shoulders. That one man, Jake Kavaliro, would really like nothing more than to retire. Unfortunately, while on his last patrol he encounters a Mugdaran determined to restart a war that ended decades before. Now Jake whos never been known for his skill at diplomacy has to go and explain what transpired to the Mugdaran Emperor in person, an emperor whos only had the position for a very short time and who is already being pressured by others to restart that long ago war.
