

## A Rumor of Real Irish Tea

A twist in fortune has landed Oliver Dunn and his handler Emily at the Prometheus Institutes F Campus, where aspiring delinquents and bureaucratic red tape abound. Meanwhile, Oliver's sworn enemies, Hawk, Hummer, Honey, and Happy West, continue to chase rumors of the mysterious Altair, much to the ire of the GCA. When a stringent military general decides to end the Wests mischief once and for all, Oliver is again enlisted to help. Together with a disgruntled classmate, a charming news reporter, and a know-it-all administrative assistant, Oliver must outsmart the Wests to restore order and his tarnished reputation in this follow-up adventure to *A Boy Called Hawk*.
