

Kings Fall (Lindfel Chronicles)

Hear the Brhunye Taal, speak the Brhunye Taal... The powers of Darkness are growing in the realm of Lindfel. King Ammoron and his scheming chancellor, Lord Damon, rule the land with tyranny. But there is hope, as the prophetic Far-Seer Sandivar leads a rebellion against the king. Gideon is the third son of a provincial noble and a university student unconcerned with politics or power. But in a tragic encounter, his life is upturned, and he finds himself in the midst of the struggle to restore justice by deposing King Ammoron. If Gideon is to survive the conflict, he must master the Brhunye Taal, the ancient power of the One God, Iomthal. Only when he learns to hear the Brhunye Taal, and then speak with its power, will he succeed. The fate of the entire realm lies in his hands. Gideon and Sandivar are joined on their quest by a mysterious warrior, Teanhi, and a fugitive princess, Jenivere. Together, they are chased across the realm by the king's fearsome warriors, as each of them becomes entwined in the rebellion, and part of the Kings Fall.
