

Knit a Vintage Christmas: 22 Stocking, Ornament, and Gift Patterns from Christmas Past

Nothing sparks nostalgia like Christmastime. We watch the holiday classics like Its a Wonderful Life and pull out our same decorations each year because we love the memories they bring. The patterns in Knit a Vintage Christmas will both evoke memories of bygone eras and become heirloom decorations you will use year after year. Some of the patterns in this book are classics--vintage patterns updated for the modern knitter--and some are new patterns with a vintage feel. All will inspire your Christmas spirit--now and for years to come!
